

RCM Theory Mastery Series (Levels 5–8)

Master the essential foundations of music theory and unlock exam success. Designed for students preparing for RCM Level 5–8 Theory, this structured 13-lesson online program provides everything needed to pass with confidence — from intervals to cadences, form to modulation.

Whether you're tackling the theory requirement for your performance diploma or aiming for academic excellence, we make theory engaging, clear, and exam-ready.

Levels	Format	Schedule	Total Hours	Lessons	Fee (Per Person)
Level 5–6 Theory	Online	13 weekly 2hr lessons	26 hrs	13	\$1,820 (Private) \$910 (Semi-private) \$455 (Small Group)*
Level 7–8 Theory	Online	13 weekly 2hr lessons	26 hrs	13	\$1,820 (Private) \$910 (Semi-private) \$455 (Small Group)*

*Private: 1 student, semi-private: 2 students, small group: 4 or more students

All Classes Include:

- Live lessons via Google Meet
- Weekly homework + feedback
- Real exam practice & mock exams
- Personalized support & progress tracking
- Free consultation via text if students have questions on homework

Course Pillars (Success Path)

1. Foundation First: Decode the Language of Music

Tackle confusing topics like intervals, scales, and triads with clarity. Delivered through visual aids, live explanations, and interactive examples.

2. Structure & Strategy: See the Exam from the Inside Out

Learn the format, marking scheme, and question types with targeted practice, mock tests, and trend analysis.

3. Musical Intelligence: Apply Theory to Real Music

Make connections between abstract concepts and the real pieces students perform. Explore scores and compositions.

4. Accountability Accelerator: Stay On Track to Success

Weekly goal check-ins, homework submissions, and coach feedback keep students on pace.

Expected Outcomes

- Confidently complete all components of the RCM Theory Exam
- Most students score 90%+ in most cases with solid preparation
- Improve musicianship and understanding of composition
- Meet the theory requirement for RCM certificates or diplomas
